The Honorable Alphonso Jackson  
Secretary  
U.S. Department of Housing and Urban Development  
451 7th Street, SW

RECEIVED  
2007 MAR -6 A 11:17

Dear Secretary Jackson:

Congress recently passed an enhanced Continuing Resolution that included funding for the FY 2007 Transportation, Treasury, Housing and Urban Development, and the Judiciary Appropriations Bill. As you know, this late action on FY 2007 funding for most federal departments and agencies was the direct result of the 109<sup>th</sup> Congress' failure to complete nine of the eleven appropriations bills.

Given we are nearly half way through the fiscal year before the enactment of final funding levels, most federal departments and agencies face significant challenges and decisions about how to use the funds they were provided. I encourage you to use the bill reported out of the Republican-controlled Senate Appropriations Committee during the 109<sup>th</sup> Congress as guidance when you determine how to allocate your department's funds in Fiscal Year 2007.

I strongly support the priorities included in this bill. I believe they are essential to the nation and to my home state of Nevada. Thank you in advance for your consideration of this request.

My best wishes to you.

Sincerely,

HARRY REID  
United States Senator
